My dear Mr. Wallace:

Senator Tom Connally has been good enough to present to the President your letter of December twenty-ninth and the quilt which the ladies of the Sewing Room of the Federal Emergency Relief Administration of Coleman made for him.

He asks if you will be good enough to express his sincere appreciation to those who had a part in the quilt.

The President sends all of you his best wishes for the New Year.

Sir:

To you and Mrs. Roosevelt, Calavo Growers of California send their greetings.

You will be the first at the Atlantic seaboard to enjoy these delightful calavos within forty-eight hours from the time the fruits were picked in Southern California--through the medium of American Airways' new 22-hour Pacific to Atlantic coast schedule.

It is indeed fitting that this new, high-speed transportation be utilized, on its inaugural flight, to bear this token of good-will to you from some two thousand grower-members who are blessed this season, for the first time in the industry's history, with a tremendous crop.

Your enjoyment of these calavos will be shared by us, with the hope that Providence may continue to keep you safely leading the advance forward on the path to "brighter days".

Dear Mr. Roosevelt,

Will you please accept a fir balsam pillow which I have sent to you today?

This is sent as a token of the pleasure, cheer and joy that you have given to my father, Herbert L. Ward of Addison, Maine who is blind.

He was a carpenter and builder and a few years ago was stricken with this almost unbearable affliction which took pleasure from his life as his work was his largest interest.

Dear Miss LeHand:-

I am sending today by parcel post a copy of my latest book, "Joshua Todd", to President and Mrs. Roosevelt. I wonder if you will do me the favor to see that it reaches them. Also a copy of the book goes to you.

I am looking for places at Cape Cod, but have been held up by a two day blizzard, but I sincerely hope that you will be a neighbor of ours during the spring and summer.

With every good wish,

Faithfully yours,

MR. PRESIDENT

HIS EXCELLENCY:

I BEG YOUR PARDON, BUT I CANNOT NEGLECT, AND ALSO KEEP IT MY DUTY TO SIGNIFY TO YOUR EXCELLENCY THE BELOW WRITTEN, OCCULT, CRAFTY EVENT WHICH VENTURE OCCURRED BEFORE YOUR EXCELLENCY'S SIGHT ON FEBRUARY 15, 1933.

BECAUSE OF A MIRACULOUS CASUALTY, THE LIFE OF YOUR EXCELLENCY WAS SAVED----MY SUPPOSITION OF THE SIXTH WRITTEN POINT OF MY OWN PRAYER'S DEVOTION FOR IT IS ONE OF GOD'S INFINITELY WISE MIRACULOUS DEEDS THAT I AM ASCRIBING TO, IN WHICH THE OMNIPOTENT SHOWED CERTITUDE BY ACCEPTING MY OWN PRAYER WHICH I WAS FORCED TO WRITE (BY THE DIVINE SECRET POWER) ALL THE EVIDENCE I HAD APPROVED BY EXPERIENCE DURING OVER FORTY YEARS OF MY LIFE SCHOOL.

THE FACT IS A VERY SURPRISING OCCURRENCE THAT, THE LIFE OF YOUR EXCELLENCY WAS SAVED, PARTICULARLY BECAUSE IT OCCURRED AS MY DESIRE IN THE TWELVETH POINT OF MY OWN PRAYER IN WHICH I AM ASKING FOR, OBSERVABLE AND MIRACULOUS PROTECTION (BECAUSE I WAS SO INFORMED TO WRITE BY THE SECRET POWER) FOR THE REASON OF SERVING TO EXPLAIN ADMONITION TO THE PEOPLE UPON THE EARTH OF THE EXISTANCE OF GOD (AS IN THE ELEVENTH POINT OF MY PRAYER, IN WHICH I AM LONGING FOR APPEARANCE AS AT THE TIME OF OCCURRENCE WHEN YOUR EXCELLENCY'S VENTURE WAS IN ACTIVITY.)

ANOTHER GREAT MIRACULOUS EVENT, WHICH I BELIEVE PROBABLY EFFECTUATED FROM MY PRAYER, IS THE FACT THAT, AT THE SAME TIME YOUR EXCELLENCY'S VENTURE IN ACTIVITY, THE PRINTING MACHINE WAS PERPETUATING MY PRAYER, INTO MANY THOU-

ver !

erywhere (Acts 17: 27, 28)
nesses and for protection.
VILT TURN all desirous

SAND SAMPLE COPIES, PUBLICLY (BY THE ENCLOSED HUNGARIAN NEWSPAPER) FEBRUARY 15, 1933. IT WAS AT THIS SPECIFIC TIME THAT MY PRAYER WAS BORN IMMORTALLY "BY THE PRINT!" OUR CREATOR FATHER, THROUGH THIS EFFECT SHOWED A GREAT MIRACLE, FOR AS SOON AS MY PRAYER CAME TO LIGHT, SIGNIFIED EXPLICITELY ITS EVINCIBLE EFFECT. (ELEVENTH POINT)

THIS, A DIVINE, WISE ARRANGEMENT, TOO, BY WHICH OUR FATHER SHOWED A GREAT MIRACULOUS EFFECT BY SHOWING THY PROTECTION ON SUCH A GREAT AND WELL-KNOWN CELEBRATED EMINENT PERSON AS HIS EXCELLENCY (DESERVES OBSERVATION) AND IS AN ADVANTAGE AND REASON FOR GIVING HELP TO SPREAD ABOUT MY PRAYER.

ALL THESE ACTS THE DEITY ARRANGED SO MIRACULOUSLY CONVINCIBLE SO THAT THE PEOPLE OF THE EARTH WOULD BE PERSUADED, PARTICULARLY YOUR EXCELLENCY OF THE IMPORTANCE OF MY OWN PRAYER. FOR THIS REASON WILL YOUR EXCELLENCY PLEASE BE GRACIOUS AND ACCEDE TO HAVE MY PRAYER SPREAD OUT AMONG US TO BE GRATEFUL OF . . . . . .

THIS PRAYER IS NOT DAMNABLE, BUT REGARDFULLY RECEIVABLE. THIS PRAYER'S ACKNOWLEDGEMENT WILL BE A GREAT ASSISTANCE TO OUR EARTHLY LIFE PROGRESSION IF . . . .

FOR THIS REASON WILL YOUR EXCELLENCY PLEASE BE GRACIOUS TO ACKNOWLEDGE ME FOR I AM DESIROUS TO KNOW OF YOUR EXCELLENCY'S SURMISE DECLARATION AND SHALL BE MUCH PLEASED TO HEAR THAT YOUR EXCELLENCY LIKES IT.---I ONLY REGRET THAT I CANNOT PRESENT IT IN PERSON.

My dear Mr President:

Allow me to congratulate you for your constant work in helping those afflicted with infantile paralysis.I feel sure we will soon find an efficient remedy,or preventive.Recently the United States Patent office granted me a patent on an instrument to control blood-pressure.The instrument is used for applying heat or cold in controllable degrees,pressure,and traction to parts or surfaces of the human body,for use in treating certain conditions,principally of the nervous system,in which such applications may be beneficial.My research has been along the line of''blood-pressure regulation-Endocrine control'' but I believe the instrument will work equally well on infantile paralysis cases.I would be happy to submit an instrument for trial on such cases.Will you kindly give me your thought on the matter.If you are intrested you can look up the instrument in the patent office or I will send you pictures of the instrument in use.The patent no. is I984520 issued to Cecil Claud Curtis,San Francisco Cal. ''APPARATUS FOR APPLYING HEAT,COLD,AND PRESSURE TO THE BODY'' I have worked on the little instrument since I923 and I sincerely hope it will be of service to humanity.

May I present you with a block and gavel in honor of your untiring efforts for all of us.The head of the gavel is pine,and the handle oak.It was made in my model shop. The block is redwood burl,and was given to me by Mr E.C. Thoits.Mr Thoits is the best shoe merchant on the San Francisco Peninsula,and has helped me a lot in my research.

In closing may I wish you well in running the affairs of our great Nation.

Dear Mr President:-

May I take this crude way of sending you greetings for your Birthday. I am wishing for you a very Happy Birthday, and many, many, more.

This gift I am sending is not much but I am proud of it because it is made with my own hands, and I hope you will enjoy many restful naps with your head on pillows covered with these slips.

I am sending you my picture, so you can understand why I do this kind of work. I received a broken back in an auto accident on Appil 20th 1932. This left me paralyed from my hips down. Late in 32 my feet and legs began to decay, and I had them amputated in February of 1933, now I am dandy fine. I still enjoy living as much as any one in the world despite my little handicap.

I have already written more than I should expect a busy man like you to read, but I hope you do read this and enjoy the pillow slips. I will close now and just say goodbye and May God Bless You, is my every prayer.

Sincerly Velora B. Collier

Dear Mr. Roosevelt Ach 2/1 E8

Knowing Theodore or "Teddy", as he was more commonly called, I feel like I know you.

I only lived 3 miles from "Teddy's" Maltese cross ranch in the Badlands, so we were very well acquainted.

This is a sample of my work. It is made of cowhide on the outside and genuine elk inside with goat lacing. Absolutely all made by my own hands.

If you like it, let me hear from you.

Sincerely yours,

My Dear Franklin:

Thanks for your good note of Jan. 23rd. It made me happy.

By this same mail, under separate cover, I have sent a copy of Outdoor Life containing an article of mine: "Leaves from a Ranger's Diary." It, and the photos illustrating, should interest one as ~~for~~ forest-minded as yourself.

I suggest you take it to your "den" and fill a good-drawing pipe over it -- when you get time.

The article deals only with the phase of Ranger life that is direct contact with the public. Later I may go into things the public knows little or nothing about -- the Big Idea of conservation growing out of protected watershed -- timber, game, grazing etc.

Regional Headquarters (San Francisco -- Region V) is quite interested in my efforts to popularize the Forest Service in fiction stories and articles. There is some talk of utilizing me in the production of interesting stuff that is not baldly propaganda. Washington produced a Forest Service playlet of mine over the N.B.C. last summer.

Your birthday is to-morrow, I notice. Here's luck! I'll be 54 next month, but have no birthday. Born on the odd day -- 29th. I've had only a baker's dozen of birthdays in my whole life!

Don't forget the pipe!

Always sincerely,

My dear Mr. Roosevelt:

The enclosed photograph is a part of the boys that attend regular services at my chapel. In the group in this photo are three brothers who come to all services.

Some of the boys belong to YMCA Newsboys club, and others are of different types that I got off the streets. Five boys attended first servides at Chapel but it has grown to where there are from twenty-five to fifty at each service.

Please accept this picture as a token of friendship that the boys and I have for you. I hope it reaches you without being broken. On front row is my wife, who is song leader and soloist, next to her is myself, and the other man is a visiting minister. By this time next year I am hoping to have many more boys. Kind regards to you, and much health and happiness. I remain,

Sincerely yours, Evangelist Eddie A. Clayton

Gentlemen:

The President was pleased to receive your friendly letter of February twenty-third, and is delighted to have that fine cane to which you refer. He more than appreciates the kind thought which prompted its presentation and is indeed grateful for your assurance of loyalty and support.

HEADQUARTERS - 2418th - COMPANY
Civilian Conservation Corps
Camp Ga. P-65

ack 2/28

February 23rd, 1935.

His Excellency, The President of the United States,
Hon. Franklin D. Roosevelt,
The White House,
Washington, D. C.

Honorable Sir:

Under separate cover we are sending you a walking cane, which, we hope, will give you support when you call on it, but not as much support as you can expect when you call upon the Veterans of this Company in all of your laudible untertakings.

This cane was carved from a piece of wood picked up while on one of the projects, and is a true product of the Georgia Forests.

This is one of the examples and works advocated by our Camp Educational Adviser.

We are, sir, your most obedient servants.

The members of Camp Ga. P-65,
Company 2418, CCC,
Jesup, Georgia.
