Class	Indicates the type of dispensing entity. In addition to being used on the pharmacy detail record, they also are used in taxonomy codes. This field can contain one of the following values: • ***BLANK** • **0 = Other** • **1 = Independent**: One, two, or three pharmacies under common ownership. • **2 = Chain**: A pharmacy that is part of a group of four or more pharmacies under common ownership. Pharmacies may or may not share the same Federal Tax ID number. • **3 = Hospital** • **4 = Clinic** • **5 = Franchise**: An independently owned pharmacy that has signed a franchise agreement with a franchisor wherein the franchisee receives services such as training, marketing, and other support from the franchisor in exchange for a franchise fee to the franchisor. A franchisee often includes the franchisor's name as part of the store name. • **6 = Government/Federal**: A pharmacy under the jurisdiction of federal, state, county or city government or the Indian Health Service. This includes military pharmacies within or outside the United States. • **7 = Alternate Dispensing Site**: A pharmacy or dispensing site that does not fit into the four classes above. This includes mail service pharmacies, institutional and hospital pharmacies, most clinic pharmacies and non-pharmacy dispensing sites.
