LONNIE BRYAN EZELL

Assistant Professor of Educational Administration
University of Texas, Austin

Education

Far over age

Best Haskew (and others) speak highly of him

Study of school building doesn't sound very "creative"; but it certainly is practical.

Whatever he learned would continue to have influence, for he is well placed at Texas

I'm willing to discuss him

FISK UNIVERSITY

1948 RC

Name Lonnie Bryan Ezell Field: Education

Assistant Professor of Educational Administration, University of Texas
2404 Hartford Road, Austin 21, Texas

Plan of Work To study the latest developments in the housing of rural schools; to study intensively the housing conditions in the rural schools of Texas; to apply the results toward a solution of Texas problems by formulating guidance publications, through personal consultation with rural school people, and through continuance of his established work in school housing at the University of Texas.

Requests grant from February 1, 1949 to October 31, 1949. Since the applicant already holds the Doctor's degree, he wishes to plan for supervisory aid from either New York University or Columbia, but not for academic credit.

Personal Data Born Haw River, North Carolina, March 1897 Age: 51
Married, one dependents Draft Status:

Undergraduate Work Elon College, A.B., 1915

Graduate Work Elon College, A.M., 1921
