Do not click or type anything in this orange rectangle.

(Note: I feel confident calling this a rectangle given the manner in which it was constructed. If you feel this naming is reckless, I apologize and recommend you view it as another region bounded by a closed curve. The possible incorrect naming of this object does not grant one permission to click or type anything in its interior.)

Click here.

Should Not Need Explanation

Select the proper account.

BOOM!

The whole Google authentication process will commence, and you will be dropped into your Blackbaud account. Success! You now have a Blackbaud ID (BBID) and will login using it. (See next slide.)

If your address bar goes crazy and cycles through a handful of web addresses, close your browser (likely Safari), open Chrome and try logging in.

The screenshot shows a web browser window with the URL `indiansprings.myschoolapp.com/app/student/studentmyday/progress`. The page header is red with the Indian Springs School logo and navigation links like My Day, Classes, Groups, Resources, News, Calendar, and Directories. A yellow banner at the top states "You have: 1 Form(s) to Review". The main content area is divided into three columns: Performance (6 Report cards), Conduct (0 Total infractions), and Attendance Summary (13 For school use, 9 Did Not Attend Class, 4 Absent Unexcused). Below this is a "Courses" section with tabs for Fall Semester and Spring Semester. It lists three courses: 10th Grade PE - 1, Biology - 4 (E), and New Faculty - 1, each with a list of assignments and a teacher profile (Greg Van Horn, Jeffrey Sides, and Jonathan Gray respectively).

Moving Forward

From now on, you will login using your full “@indiansprings.org” email address:

1. Enter your email address (top picture)
2. Click “Sign in with Google” (bottom picture)
3. You may need to enter your Google password.
4. Note: People have experienced some trouble using Safari. Try Chrome.
