

# Bible Reading Guide

2026 - 2027

## How to Use This Guide

The Crossgate Bible Reading Guide is designed with quality over quantity in mind. The goal is not simply to acquire informational knowledge about the Bible, but to experience a transformational time with God each day as you “read and reflect” on His Word and spend time in prayer. This plan is not an exhaustive reading of the entire Bible. Instead, it is focused on key Old Testament passages and the whole of the New Testament, for the purpose of facilitating transformative encounters with God.

## Here’s How It Works

Spend some time in silence and solitude, removing distractions and quieting your mind and heart before the Lord. Then, ask God to speak to you through the Scriptures.

Read 1 chapter per day, 5 days per week. This pace gives you adequate time to “read and reflect” each day and margin to catch up if you fall behind. As you read, consider journaling your thoughts (see the H.E.A.R. method below).

Spend time memorizing the memory verse for the week. Consider writing it down and placing it somewhere you will see it often. Spend focused time in private prayer and worship each day.

## The H.E.A.R. Method of Bible Journaling

The acronym H.E.A.R. stands for Highlight, Explain, Apply, and Respond. Each step helps create an atmosphere to hear from God.

**Highlight:** After reading the passage of Scripture, highlight a particular verse or verses that speak to you by copying them under the letter “H” in your journal.

**Explain:** After highlighting the passage, write the letter “E” and explain—in your own words—what the verse means in its original context.

**Apply:** Next, write the letter “A.” Application is the heart of the process. Consider how the text specifically applies to your life and write it down.

**Respond:** Lastly, write the letter “R.” Now that you’ve identified how the text applies to you, consider a practical and specific way you can obediently incorporate it into your life. This may be an action step or a prayer.
