

How It Began – 7 Days of Prayer for Thailand

What do you do when four of your amazing and talented [Thread of Hope](#) kids come to you during school break needing jobs to help support their families, cover their expenses, and save for their education?

For us, it meant stepping out in faith. Not knowing what work to give them, we were reminded of how much we need prayer for the ministries, the leaders, and the people of Thailand. When we shared this idea with the students—Aum, Faa, Mind, and Mint—their eyes lit up. They began to think about hundreds of people praying for their nation over seven days. They didn't want busy work, they wanted Kingdom work. They wanted to share about the ministries that had impacted their lives and create something that could make a difference for Thailand.

What started as one brainstorming meeting in a small office in Bangkok has become something beautiful: the **7 Days of Prayer for Thailand** guide. These young leaders—part of the future Christian generation of Thailand—poured their hearts into this project, longing to see their nation transformed through prayer.

Behind The Scenes . . .

"IF MY PEOPLE, WHO ARE CALLED BY MY NAME, WILL HUMBLE
THEMSELVES AND PRAY AND SEEK MY FACE...THEN I WILL HEAR FROM
HEAVEN AND...HEAL THEIR LAND."

Your Invitation

From **September 14–20**, we are inviting YOU, believers all across the world, to pray daily for Thailand. A nation where less than 0.8% of the population follow Jesus. In Bangkok, a city of more than 11 million, there are only about 61,000 true followers of Jesus Christ. The need for prayer is urgent.

Together with our team and Thai partners, the students helped create both an **English and Thai** language **Prayer Guide** that walks through seven key areas: unreached people groups and urban ministry to children, churches, missionaries, and more. **Each day** focuses on a specific **ministry** or demographic in Thailand, offering **clear prayer points** and **a QR code you can click or scan** that links to a short video to bring each day to life. How Can You Join?

Thank you in advance for standing with us in prayer. Just like Aum, Faa, Mind, and Mint dream for their homeland, together we can see Thailand turn to Jesus. Their faith reminds us that God can use anyone, no matter their age, to spark a movement of prayer across the world. This is exactly what the world needs right now!

With thankful hearts,

Tracy & Shonna
