Shelia Duch: Hello. I just want to thank you for being such a light in the community. My husband Gary and I moved to Hot Springs almost two years ago, but we just started attending Crossgate in March of this year. Our grandchildren come with us when they can. I have been a Christian since I was twelve and my husband was born again about 40 years ago. We celebrated our 46th anniversary this year. We attended one the life group classes there a couple of times and then I got really sick and have been sick for about 8 weeks. We finally made it this morning, July 13th. What a blessing the whole service was to me (Always is). From the music to the message. I'm so thankful the Lord gave me a good day to be able to be there. I'm praying for you all as you seek God's will and I am asking prayer for continued healing for myself. I'm also asking prayer for my three grandchildren. Pray that they come to know Jesus. Thank you and God Bless.

- Ask the Lord to give us favor in Saline County as we work with churches, businesses, not-for-profits and government entities to collaborate for families to flourish. We are praying and discerning if this collaborative work should be a focus for us.
- Ask the Lord to give the missionaries we coach in other states favor with partnering churches and organizations, boldness in sharing the gospel, and the resources they need to support their mission.
- We had an initial meeting with a Saline County church to help them develop an on-going marriage discipleship focus. Ask the Lord to bring the right lay leaders forward we can train.
- We are in a season in which our ministry is growing, and we need to raise additional funds. Please ask the Lord to open doors for more financial partners to join us.
