Jessica Bracken: Please pray for Nick (21 year old son) who is in jail. He is expecting a plea deal very soon. This has him feeling very overwhelmed and scared. He truly expected God to let him walk away from this and get all charges dropped. It is very plain, that is not going to happen. His mental state is not the best and as his mom, I am very concerned. He is also leaning hard on me to be the one to make the final say on accepting a deal and he even made me his POA. I accepted it, of course, but it is not my place to decide the biggest decision of his life. I need prayer on how to handle this with Nick and for the words of wisdom, when he needs it. I have felt so inadequate and often just stare and smile on our video calls. He wants me to say it is all going to be ok but even with my faith I cannot pretend to know God's decision. Please keep us in your prayers and thank you...Jessica
