WELCOME TO THE 7-DAY PRAYER GUIDE FOR THAILAND

We're so glad you're here! This is more than a prayer guide. It's a call to intercede. It's a chance to open your heart to what God is doing in the vibrant, complex, and beautiful country of Thailand. Each day, you'll learn more about the people, the culture, and the ministries that are sharing the hope of Jesus.

You'll be invited to:

- **Watch a short video** that highlights that day's ministry.
- **Learn and reflect** on what God is doing right now.
- **Lift up prayers** that make an eternal difference.

Whether you're praying from across the globe or right here in Thailand, your prayers matter.

So take a deep breath. Open your heart. And join us over the next 7 days—day by day—as we stand in the gap for this country and its beautiful people. Let's pray boldly, love deeply, and believe together for transformation. **Let the journey begin.**

~Tracy & Shonna Shipp

THE SCARLET THREAD

In Bangkok, it's impossible to ignore the many bars, massage parlors, and brothels scattered throughout the city—places where countless women, each with their own story, are searching for love, hope, and purpose. The team at The Scarlet Thread steps into these spaces with compassion, forming genuine relationships through weekly outreach, English classes, prayers of blessing, and the steady presence of Christ's love. Inspired by Rahab's scarlet thread in Joshua 2, they serve as a beacon of light in the darkest places. Despite the challenges, the message of love, acceptance, and renewal through Christ is taking root—and lives are being changed.

PRAYER IDEAS

- Pray that the Holy Spirit will lead us to women whose hearts are open to hear the Gospel.
- Pray that each woman we encounter will know that she is deeply loved, fully accepted, and can experience true renewal through Jesus Christ.

OUR
THREAD OF HOPE
KIDS

August,
2011

THREAD OF HOPE

The Thread of Hope is a Christ-centered scholarship fund committed to bringing hope and renewal to children in Thailand through education and vocational training. Launched in 2017, the program prioritizes students who lack financial resources or family support, helping them stay in school or pursue job training. Beyond academics, the program encourages spiritual growth by helping each recipient grow in faith and learn to rely on Jesus daily. With support from donors in the U.S., the Thread of Hope covers essentials like tuition, meals, transportation, and school supplies. As the number of children grows, so does the need for continued support.

PRAYER IDEAS

- Pray for the children to walk with God and to have a hopeful future.
- Pray for the program to grow and be able to support more children in need.
- Pray for our supporters, that God would bless and sustain them.

THAILAND BAPTIST CHURCH

The Thailand Baptist Churches, under the leadership of the Thailand Baptist Convention, continue to press forward in the mission of spreading the Gospel across a nation steeped in centuries of idol worship. Though Christians remain a small minority, their numbers are steadily increasing. Many provinces still have no churches, which is why the Convention launched the “BAP 10” project—to plant churches in unreached areas throughout Thailand. Despite challenges, God’s servants remain committed and full of faith, trusting in the transformative power of the Gospel to reach hearts and change lives.

PRAYER IDEAS

- Pray for continued growth in the number of Christians across Thailand.
- Pray for the success and expansion of the “BAP 10” church planting project.
- Pray for strength, wisdom, and encouragement for all of God’s servants.
- Pray that the faith of Thai believers remains strong and rooted in Christ.

GREATER BANGKOK TEAM

The Greater Bangkok Team is a group of missionaries called by God to serve full-time in a city of over 15 million, where less than 1% know Christ. Blinded by materialism, idol worship, and deeply rooted Buddhism, the people of Bangkok live in spiritual darkness—29 of the city's 50 districts remain unreached by a Baptist church. The team longs to see every district transformed by the Gospel, with healthy, reproducing churches and trained leaders bringing light to every corner. Through church partnerships, evangelism, discipleship, medical outreach, sports, university engagement, red-light ministry, social media, and diaspora outreach, they are actively sowing seeds of hope. This vibrant land—known for its smiles and culture—desperately needs the light of Christ to heal its brokenness. Praise God His kingdom is advancing daily through the Greater Bangkok Team.

PRAYER IDEAS

- Pray for the Thai church to grow in strength, unity, and boldness to share the Gospel throughout the city.
- Pray that God would equip and sustain the Greater Bangkok Team as they shine His light in the darkest places.
- Pray that God would call and send more laborers to join His mission in Bangkok, where the harvest is great.

THAI BUDDHISTS

Thailand is a nation deeply rooted in Buddhist culture and way of life. Many grow up immersed in teachings that emphasize self-awareness, reasoning, and mental discipline to overcome suffering. The short video clip linked in the QR code below features a heartfelt message from a Thai man, sincerely sharing what his faith means to him and the hope he holds for all Thai people. As Christians, we know that faith cannot be forced. But we are called to love unconditionally and to pray with compassion and understanding. We invite you to listen to this man and join us in praying for the Thai people—that they may find hope in the midst of suffering, and encounter God’s grace in a way they can understand.

PRAYER IDEAS

- Pray for those who are suffering, struggling, or feeling hopeless—that God would strengthen and encourage them in the midst of their weariness and discouragement.
- Pray for hearts that are searching for meaning—that God would make a way for them to encounter Him, the true source of love, truth, and purpose.

THAI CHRISTIAN YOUTH

Youth for Christ Thailand (YFC) is dedicated to reaching Thai youth, ages 13-24, with the life-changing message of the gospel. With many young people in Thailand facing challenges such as the growing influence of secularism and individualism, evangelism can be difficult. Yet, YFC continues to passionately serve through outreach, discipleship, and leadership development, equipping young believers to grow in their faith and actively serve God. Despite the hurdles, the future of Thai youth is full of potential for transformation and renewal through Christ's love and grace.

PRAYER IDEAS

- Pray for Youth for Christ, asking God to guide and bless their evangelistic efforts.
- Pray for Christian youth, that they may grow in their faith and serve God with passion.
- Pray for those who have not yet heard the Gospel, that they may encounter the message of salvation and be transformed by God's love.

ORPHANS IN THAILAND

For the more than 120,000 orphaned children in Thailand, life is already hard—but for those without a Thai ID card, it can feel nearly impossible. Categorized as “stateless” without any legal status, they are often treated like they don’t exist—unable to attend school, see a doctor, or dream of a future beyond survival. Many are left vulnerable to exploitation and abuse. The Scarlet Thread Ministry, with the support of local churches, is working to change that. Together, they help orphaned children find belonging, gain access to education and care, and know they are seen and loved by God. They serve as a faith family, walking with them through life’s many challenges. But more help is needed—so that orphans in Thailand can escape the fear of being forgotten and step into the future God has planned for them.

PRAYER IDEAS

- Pray that the orphaned and stateless children of Thailand will receive legal status and access to their basic rights, and that they will find healing, hope, and a firm identity in Christ.
- Pray that The Scarlet Thread ministry and local churches will continue to bring hope, care, and a strong sense of belonging to these children as they walk boldly into the future God has for them.
