

### Keep/Cull Crossbred Gilts

No.	WDA	Adj 10 <sup>th</sup> Fat	Adj LEA	Dam's SPI
1	1.49	.69	7.0	99
2	1.61	.74	7.6	102
3	1.65	.80	7.5	103
4	1.68	.67	8.2	108
5	1.55	.72	7.4	101
6	1.71	.74	7.8	106
7	1.62	.69	7.5	105
8	1.53	.72	7.2	100

**Scenario:** Rank these gilts in the order they should be selected as replacement females in a small farrow-to-finish operation. The top 20% of female offspring will be kept as replacements. A select few are sold as showpigs in the spring. However, a majority of the income is derived from the production of market hogs sold locally. All hogs are raised in total confinement.
