

2022 National 4-H

Rambouillet Ewes

Contest Date November 15th, 2022

Rank these ewes as they should be used in a commercial range operation. These ewes will be bred to black-faced rams to produce market lambs for commercial feedlot operations.

Feed is abundant and labor adequate.

ID	Birth Date	Born	Adj 60 Day Wt	Fleece Spinning Count
1	12-1-21	S	60	62
2	12-2-21	S	58	60
3	1-28-22	TW	64	62
4	12-5-21	S	60	57

Scenarios from the National 4-H Livestock Judging Contest are similar to but not exact copies of the data at the event itself.
