

American Royal 4-H/FFA

October 2023

Performance Charolais Heifers

Number	CE	WW	YW	MILK	TSI
1	12.4	72	130	31	270
2	6.8	55	100	25	241
3	9.2	53	98	26	245
4	13.6	74	134	29	280
Breed Avg	10.6	61	110	24	253

Rank these heifers in the order they should be selected for a progressive seedstock operation. The operation's primary income comes from their annual bull sale where they market bulls to both purebred and commercial cattlemen. The operation is focused on raising elite show cattle that they can promote around the country and uphold their established reputation and excellent genetics.

Labor and feed are abundant..
