

Cattlemen's Congress

January 2024

Simmental Bulls

Rank these bulls for use in continuing of a 3 breed rotation (including Hereford & Angus). Bulls will be used on mature cows. All heifer offspring will be bred to calve at 2 years of age and either kept as herd replacements or marketed as bred heifers. Steer calves will be sold at weaning.

#		BW	WW	YW	MCE	MILK	STY	TI
1		0.9	73	108	4	15	13	85
2		2.1	83	132	10	27	16	81
