

2025 National 4-H

November 2025 Southdown Ram Lambs

This season celebrates the centennial year of the Forsee family raising Southdown sheep in northern Kentucky. To commemorate this milestone, the family is offering a select group of spring-born ram lambs for use as potential cover sires in an exclusive anniversary sale. They have asked you to evaluate and rank these young herd-sire prospects as if you were selecting replacements for their flock.

Number	Tag Number	Birth Date	Genetic Profile
1	25-008	1/18/2025	RR-NN-HLF-FF
2	25-110	2/23/2025	RR-NN-HLF-FF
3	25-140	3/05/2025	RR-NN-HLF-FF
4	25-106	2/14/2025	RR-NN-HLF-FF
