

2025 Waller FFA

February 2025

Keep/Cull Heifers

Rank these heifers as potential herd replacements for a seedstock operation. The ranch will have an annual fall female sale, marketing the top 15% of heifers online to target a junior show heifer market. However, the primary revenue stream is derived from the annual spring bull sale. While feed and labor are limited, customers still focus on growth and carcass traits.

Heifer No.	BW	CE	WW	YW	Milk	Marb.	REA
1	0.6	1.6	23	36	12	1.5	.21
2	0.0	3.4	24	38	14	1.6	.24
3	-0.1	3.3	19	29	11	1.3	.20
4	0.1	2.9	22	35	12	1.2	.21
5	0.1	3.3	23	37	13	1.3	.21
