January 2026

Angus Bulls

Rank this pen of bulls for use as herd sires in an Oklahoma purebred seedstock operation. The primary profit center of this operation is the sale of yearling bulls to commercial cow-calf operations. Regardless of their marketing endpoint or intended use of calves, these cow-calf operations use the programs available through the American Angus Association to maximize the return on their investment in progressive genetics.

Bull	Birth Date	CED	WW	YW	Milk	Marb	FL	\$M	\$B	\$C
1	1/07/25	6	97	177	34	1.35	1.01	52	258	387
2	1/07/25	13	85	152	25	1.21	1.02	80	227	375
3	1/01/25	14	88	150	23	1.71	1.02	79	225	371
4	1/01/25	12	84	154	36	1.11	0.99	72	226	365
Breed Avg		6	68	120	26	0.78	1.07	66	155	268
