

# 2026 Tennessee Block and Bridle

March 2026

## Performance Southdown Rams

Rank these Southdown rams for use by a breeder in the Eastern United States. This operation has built its national reputation for producing breeding stock that work in and out of the show ring. While creating show sheep is pivotal, their market for rams who can be used in commercial outfits is growing rapidly. Additionally, the owner has started marketing butcher lambs locally.

#	Sire	Dam	Birth/ Rear Type	Adj 60 Wt. Ratio	Adj 120 Wt. Ratio	Spider	Hairy Lamb	Dwarf
1	Ivy League	Mongo	S/S	108	110	QR	EDF	FF
2	Swamp Cat	Hatchet	TW/TW	111	112	RR	EDF	FF
