Dear Mr. Knox:

Thank you for your warm and thoughtful message regarding the situation in the Persian Gulf.

I am heartened by the widespread support of the American people for the efforts to enforce United Nations sanctions aimed at bringing about a withdrawal of Iraqi troops from Kuwait and restoration of Kuwait's independence. I am also encouraged by the number of other countries -- including Arab nations -- that have joined the international effort to defend Saudi Arabia against aggression.

Your kind words mean a great deal to me, and I appreciate your support.

Sincerely,

GEORGE BUSH A

Mr. George Bush, President
The White House
202-456-2461

Sir:

Though the public polls show substantial support for immoderate actions in Iraq and the shrill shrill for bellicose Zionists, Mr. Gafire and other Israeli spokesmen are urging you to attack Iraq, Israel will be the only winner. The American people will come to understand that their real and "vital" interest in fact is not in the Persian Gulf.

Please do not allow our Israeli "friends" to fake an "incident" which will cause you to make an unwise response. Simply keep the pressure on and negotiate. NO SHOOTING, PLEASE!

Respectfully,

James G. Knox
