Dear Mr. Swan:

Thank you for your warm and thoughtful message regarding the situation in the Persian Gulf.

I am heartened by the widespread support of the American people for the efforts to enforce United Nations sanctions aimed at bringing about a withdrawal of Iraqi troops from Kuwait and restoration of Kuwait's independence. I am also encouraged by the number of other countries -- including Arab nations -- that have joined the international effort to defend Saudi Arabia against aggression.

Your kind words mean a great deal to me, and I appreciate your support.

Sincerely,

GEORGE BUSH A

The Honorable George Bush

Dear President Bush:

The Educational Institute of the American Hotel & Motel Association supports your firm actions in the Middle Eastern crisis.

We agree with you that we do not seek involvement in Middle Eastern affairs, but when those affairs impact the well being of our friends, our nationals abroad, and of our nation itself, we must take firm action. Similarly, we affirm your cautioning American oil companies to show restraint in their pricing policies.

The strength of this nation lies in the unity of its citizens. Toward that end, we offer you our support.

Sincerely,

E. Ray Swan
