THE CHIEF of STAFF
has seen

Dear Mr. Sununu:

We want to applaud your leadership in the valiant efforts of the U.S. led military operation "Desert Storm" to rid the Middle East and the world of Iraqi aggression against international interests. We hope and pray that the actions proceed successfully and with minimal loss of life so that peace and stability can be secured in the region.

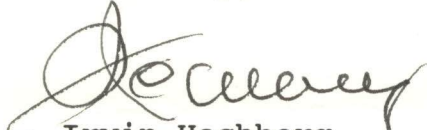

We are deeply grieved by Iraq's unprovoked attacks upon Israel, which is not a party to the Persian Gulf conflict. Israel's remarkable policy of restraints, in compliance with U.S. requests, has come at severe political, psychological and economic costs. We, therefore, appreciate the deep level of cooperation between Israel and the U.S. during this difficult period and look forward to continued reinforcement of this enhanced relationship between two committed allies, long into the future.

Your achievement in bringing together an international anti-Saddam coalition is admirable and unprecedented. We encourage that you use this opportunity to impress upon our Arab coalition partners that they end their state of war with Israel, which is at the heart of the Arab-Israeli dispute, and conclude peace treaties with the Jewish State. Such an action will serve as a prelude to resolving the Palestinian issue and advance a concrete and durable peace in the region.

The Honorable John H. Sununu

Sincerely,

Irwin Hochberg
