Dear John:

The opportunity to talk with you during the President's dinner for Prime Minister Shamir greatly enhanced the pleasure of the event for me.

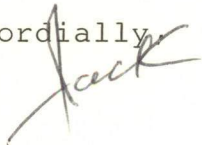

We discussed the Jaffee Center Study of Israel's options for peace and I am enclosing a copy of the report which was co-sponsored by the American Jewish Congress and by the Anti Defamation League.

The report examines six options for peace and concludes that none of the options offers a "reasonable avenue for dealing with the West Bank and Gaza".

I am also enclosing a report of the Jaffee Center which the Center itself without American Jewish Congress or ADL sponsorship prepared in which they set forth their outline for a "dynamic, that may break the dead-lock".

I think you will find them both interesting reading and again, it was a real pleasure being with you.

Cordially,
