Mr. John Sununu
White House Chief of Staff
The White House
Washington, D.C. 20500

Dear Mr. Sununu:

The American Federation of Ramallah, Palestine is a national organization with over 30,000 members and 25 chapters in various cities throughout the United States.

As American citizens, we are appalled by the recent brutal killings of Palestinians in the Occupied Territories. We are saddened and troubled that to date over 1,000 Palestinians have been killed, and tens of thousands have been wounded and imprisoned. As a result of Israel's needlessly brutal response, the Intifada rose up on December 9, 1987 with unarmed people to demand freedom, independence, and respect for their basic human rights.

We are strongly believed that the United States has great influence which can be exerted on the State of Israel.

We want you as our appointed Chief of Staff, to listen to our concerns regarding the troubling issues which affect the Palestinian People. Please reflect these concerns in your position as Chief of Staff of the White House.

Sincerely,

Dr. Anis F. Ajluni
President
