Agudath
Israel
of America

אגודת ישראל באמריקה

OFFICE OF THE PRESIDENT

EXPRESS MAIL

September 7, 1989

Honorable John Sununu
Chief of Staff to the President
The White House
1600 Pennsylvania Ave., N.W.
Washington, D.C. 20500

Dear John:

As we make our final preparations for Agudath Israel of America's forthcoming National Leadership Mission to Washington, which will take place next Thursday September 14, permit me once again to thank you in writing for agreeing to address our delegates during the afternoon briefing session at the White House. News of your participation in the program has generated considerable interest and enthusiasm in the community. The approximately 200 delegates who will be joining us are looking very much forward to your presentation.

I understand that you will be with us for 10 minutes, primarily to deliver greetings on behalf of the President. In the course of your remarks, you may wish to acknowledge the fact that Agudath Israel is perhaps the one major national Jewish organization that fully supports the Administration's agenda of promoting traditional family values and accommodating religious needs. Touching on those themes would surely strike a responsive chord among our delegates.

For your information, the other individuals who will be addressing our Leadership Mission at the White House briefing session include Vice President Quayle, Attorney General Thornburgh, Secretary of Education Cavazos and Deputy Secretary of State Eagleburger. You will be in good company!

I look forward to seeing you again next Thursday. For now, if you have any questions or require any additional information, please have your office contact Abba Cohen, the director of our Washington Office, at 835-0414.

Thanks again, and all good wishes.

Warmly,

Rabbi Morris Sherer
President
