Dear Marshall,

Thanks very much for sending the book! I have already looked through it and agree with you that it is eerily fitting in light of our actions in the Persian Gulf.

I appreciate your thinking of me!

Sincerely,

BY HAND

Dear Governor:

You have far too much to read. After re-reading this extraordinary book about World War I Allied peace plans in the Middle East, however, I thought I had to send it to you. It makes clear how shifting Allied peace goals created structural instability in the regime -- instability we are paying for today. It also underscores how Russian (later Soviet) interests in Asia drove much of Britain's peace policy. At a minimum, you will find the place names hauntingly familiar.

Given your heavy schedule, pages 493-540 on Churchill are of particular interest.

Very truly yours,

Marshall J. Breger
Chairman
