On behalf of President Bush, thank you for the Prayer For Peace baskets. He is grateful to you and your staff for your efforts in demonstrating support for our Nation's policy and our courageous troops who performed so well in the successful liberation of Kuwait.

We are all proud of the tremendous victory that American and coalition forces have won. The President asks that you continue to show your encouragement for our service men and women as we bring them home to the hero's welcome they deserve.

Dear Mr. President,

We know that you have very pressing matters before you at this time, but we wanted to send you this Prayer for Peace Basket to show our support to you and to our troops.

Our company, Country Home Collection, based in Warren, Ohio, hand weaves these baskets. They are sold through a network of consultants which represents our products across the country.

All proceeds made from the sale of this basket will be used to benefit our American troops serving in Operation Desert Storm. Our company has donated all of the raw materials, weavers make the baskets on their own time, and consultants and hostesses for our party plan donate their commission and hostess benefits. It is only in this way that we can contribute the full 100% of the price of the basket to our brave men and women.

Prayer for Peace Baskets will remain on sale until our service people return home. Proceeds will be donated monthly.

Our company fully supports your decision and our American and Allied troops. This basket is one way for us to allow all Americans to show their support, too.

The thoughts and prayers of this company and our consultants are with you and the troops.

Sincerely,

Gerald E. Henn, Founder,
the staff of Country Home Collection
and the entire Jennie Thewlis Branch of consultants
