NOT ALL NAZIS ARE LIVING IN SOUTH AMERICA.

LURIE'S WORLD

©1991 INTERNATIONAL COPYRIGHT BY CARTOONNEWS INC., N.Y.C.

All of us should be very grateful that on Saturday November 16th, David Ernest Duke lost his campaign to become governor of the State of Louisiana.

But we should also be deeply ashamed.

Ashamed that so many Americans would support a man who stands in direct opposition to almost every democratic ideal this country was founded on.

A man who has served as leader of the Knights of the Ku Klux Klan.

A man who has proudly worn a storm trooper's brown shirt and swastika arm band and declared that the extermination of six million Jews during the Holocaust is "an historical hoax."

A man who called the Statue of Liberty's 100th anniversary celebration "one of the most disgusting spectacles ever put on in the United States...to stage a huge propaganda rally for continued massive non-white immigration."

A man who has now donned a sanitized image, and turned to politics, to advance his agenda of hate.

As an organization dedicated to fighting Nazism, bigotry, and all forms of racism, the Anti-Defamation League has been monitoring, exposing, and countering the career of David Duke for the past 20 years. And will continue to fight against Duke, and other leaders of the organized hate movement, in the future.

If you'd like to help, please fill out the coupon below.

In 1941, America declared war on the Nazis.
It's time to do it again.

Melvin Salberg, National Chairman
Abraham H. Foxman, National Director

Yes, I want to help expose Duke and others like him. I have enclosed my tax deductible contribution made out to "ADL DukeWatch" of:
