Dear Mr. Hagin:

The writer is the past National President of the Zionist Organization of America and its current Honorary Chairman of the Board.

The purpose of this letter is to thank you for acknowledging my successor, Milton Shapiro's, request to the President to address the 87th Zionist Organization of America Convention on December 7, 1989 in Miami Beach, Florida.

As you may be aware, I have had a long standing association and friendship with President and Mrs. Bush, and he was kind enough to share the platform with me on two occasions during my Presidency. I also was privileged to accompany he and his staff on his Mid-East trip to Israel two years ago.

You can imagine how pleased I am that although you are unable to make a commitment at this time, you have made a special note of this date and will review this invitation as the President's schedule develops and we get closer to the time of the Convention.

If you wish to contact me at any future time, please feel free to respond to either one of the addresses listed below:

Dear Mr. President:

On behalf of the officers and members of the Zionist Organization of America, it gives me a great deal of pleasure to extend to you a most cordial invitation to address the 87th National Convention of the Zionist Organization of America which will open Thursday evening, December 7, 1989, at 8:00 P.M. and will conclude at a gala banquet on Sunday evening, December 10, 1989 at the Fontainebleau Hotel, Miami Beach, Florida.

It would be our distinct honor and pleasure to have you grace our platform during this 4-day period.

This Convention will celebrate the 92nd anniversary of the Zionist Organization of America and will mark a milestone in our history as the oldest American Zionist Organization.

As you know, Mr. President, the Zionist Organization of America since its inception has been in the forefront of the Zionist movement which worked for the establishment and recognition of the Jewish State. On the American scene we continue our vital work of building bridges of understanding between Israel and the United States, sister democracies sharing similar traditions, goals and working towards the achievement of peace in the Middle East and throughout the world.

We will also be inviting leaders of the United States Government, as well as the State of Israel, and other dignitaries to participate in our program. Several hundred ZOA delegates representing all areas of the United States will be in attendance and an important cross section of the general community.

We value and appreciate your vital leadership on behalf of the American people as well as the friendship and support you have demonstrated for the State of Israel.

Dear Mr. Hagin:

You will recall that an invitation has been extended to President George Bush to address the 87th Convention of the Zionist Organization of America on December 7, 1989 in Miami Beach, Florida. This will celebrate our 91st anniversary year.

On June 21, 1989 you advised that a special note has been made of this date and invitation and that you will subsequently review this matter. May I at this time amend our previous communication so that it is understood that the invitation to the President is open so that he will be more than welcome at any time during the period the Convention will be in session. Thus, from noon, December 7 until 5:00 P.M. December 10, 1989, he will be most welcome.

To assist you further, please take note of two events: on Sunday noon, the outgoing and incoming president of the ZOA will be introduced. On Saturday evening at 8:00 P.M. there will be a gala banquet which will pay tribute to the revered Rabbi Lehrman of Miami Beach, Florida.

We are very hopeful that you will be able to arrange for President Bush to be with us during this auspicious week. I trust that we will hear from you at an early date.

With all good wishes.

Sincerely yours,

Milton S. Shapiro
