RICHARD J. BAUER

Twenty-five years ago, Richard Bauer came to Maybrook, New York and founded Eastern Alloys, Inc., which has become the largest independent zinc alloyer in the north and central atlantic states, serving customers from Canada to Florida and from the Atlantic coast to the mid-west. Over the years, as a naval serviceman, a student at Polytechnic University and an employee who worked his way up to executive status, Richard has lived a life of purpose, accomplishment and dedication.

Within the alloy industry, Richard has served as an exemplary leader, co-founding the Board of Service Aluminum Corporation, the Independent Zinc Alloyers Association and former director of the Zinc Institute and the American Die Casting Institute.

Mr. Bauer's commitment to the values of our American democratic heritage have been pursued, not only through his military service, but also through his industry. Currently chairman of the Washington Conference for Zinc, he has informed Congressional committees on behalf of his industry and has represented the U.S. Department of the Interior as a delegate to annual U.N. sponsored meetings held in Geneva.

In spite of the demands of his business and industry, he continues to serve his community with dedication. A former member of the Board of Elders, he continues his membership with the Union Presbyterian Church of Balmville. For fifteen years, Richard has dedicated his time and energy to the service of St. Luke's Hospital, as a member of the Board of Trustees, a past Vice-President, past President and currently, the Hospital's Chairman of the Board.

His deep respect for education has been translated into his sponsorship of high school students in an American Management Program -- Operation Enterprise, an introduction to the fundamentals of the commercial environment. Currently serving as a Regional Director of Fleet Norstar, Upstate New York Division, Richard continues to find opportunities to improve the quality of life for all people. It is with great pride that the Anti-Defamation League of B'nai B'rith honors this outstanding community and industry leader with its Americanism Award.
