Dear President Bush:

On March 11th the America Israel Friendship League will pay tribute to the Honorable Peter J. Brennan, President of the New York City and New York State Building and Construction Trades Councils and the 13th U.S. Secretary of Labor.

This testimonial dinner to be held at the New York Hilton will be an important reaffirmation of the strong ties between the United States and Israel.

Every American President since Harry Truman has strongly supported the efforts of the America Israel Friendship League, a national movement of Americans from all walks of life seeking to foster better ties between the two nations. Israel remains our most reliable ally in the Middle East and the only nation in that part of the world that shares our common values.

We would very much appreciate if you would continue in the tradition of past presidents of sending a message to the gathering of more than 2,500 guests which will include distinguished leaders in business, labor and both the American and Israeli government.

AMERICA ISRAEL FRIENDSHIP LEAGUE TO HONOR PETER BRENNAN

AT HUGE DINNER ON MARCH 11

Event to be Show of Solidarity by Unions for Israel

Peter J. Brennan, the President of the New York City and New York State Buildings and Constructions Trade Councils and the Secretary of Labor under President Nixon will be honored at a Gala Testimonial Dinner on March 11th at an event sponsored by the America Israel Friendship League. The dinner which will be held on March 11th is expected to send a strong message that despite any perceptions to the contrary, the relationship between the people of the United States and Israel remains strong.

Mr. Brennan has had an illustrious career of public service. A long time labor leader, he has served both national and state government in addition to being the U.S. Secretary of Labor. President Nixon had earlier appointed Mr. Brennan to a two year term on the National Advisory Council for the Education of Disadvantaged Children. In 1974, President Ford appointed Secretary Brennan as a special ambassador to represent this country at the funeral of New Zealand's Prime Minister.

Mr. Brennan has been honored by a host of local, national and international organizations. He has also served as a visiting adjunct professor at the State University of Buffalo where he lectured in the area of humanities and labor management

relations.

According to Herbert Tenzer, president of the America-Israel Friendship League, the evening in honor of Mr. Brennan "will be an extremely important reaffirmation of the strength of the American Israeli friendship. Israel remains our strongest ally in the Middle East and is the only nation in the area which shares our common values."

The dinner chairmen for the event will be Mayor Frucher, executive vice president of Olympia & York, Robert A. Sasso, president of the Building Material Teamsters Local 282 who himself was an awardee in 1986 and Donald Trump, president of the Trump Organization. A crowd of over 2,500 guests are expected to attend the dinner including distinguished leaders from business, labor and both the American and Israeli government.

THE WHITE HOUSE
WASHINGTON

July 16, 1986

I am delighted to send my congratulations to the officers and members of the America-Israel Friendship League as you celebrate your 15th anniversary.

You are to be commended for your efforts to expand the strong ties between the people of the United States and Israel. Through the exchange of scientific, cultural, and artistic knowledge, you have enhanced the bonds of friendship and respect which have traditionally linked the two democracies to each other. The High School Student Exchange Program, Exchange of Young Journalists, and the Jerusalem International Forum are three of your most successful endeavors, and you can certainly look with pride on their success.

Nancy joins me in sending a heartfelt Mazel Tov and our hopes for continued success.
