Dear Mike, David and Kathleen:

Please accept my resignation from the Board of Directors of the Advocacy Institute that is necessitated by my White House appointment. It has been an honor for me to be so closely associated with the Advocacy Institute and the important role that the organization plays in public policy and in the larger public interest community.

I wish you and "advocacy" much success in carrying out your important work. You are among my favorite Washington leaders. I am very grateful to you for the opportunity to serve on the board. Certainly, I received far more than I gave.

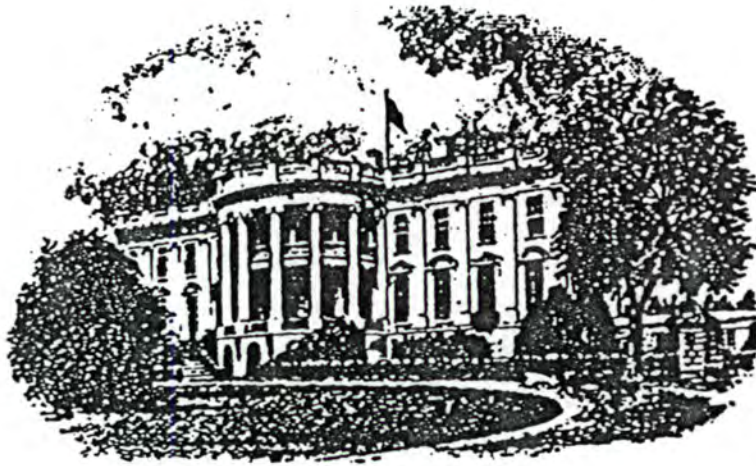

Sincerely,
