SPONSORING ORGANIZATIONS

The **PRESIDENT'S COMMITTEE ON THE ARTS AND THE HUMANITIES** was created by executive order of the President in 1982 to advise the President and the National Endowments for the Arts and the Humanities on ways to encourage private support for the arts and the humanities. The President's Committee actively supports the arts and the humanities by providing a forum for discussion of timely cultural issues. The Committee is composed of leading private citizens, appointed by the President, and ex-officio members who direct government agencies having a cultural component.

FROM: Anne Bartley

September 15

Dear Ann,

Attached is the working copy of the lists for 3 events on October 7: the Afternoon South Lawn Awards Event, the 7:00 pm dinner, and the post-dinner entertainment.

I have organized the book in the following manner.

The first tab, "Must Invite Dinner," is the list of those who must be invited to the dinner.

The second tab, "Must Invite Post-Dinner," is the list of those who must be invited to the post-dinner entertainment. All of these are single invitees except where noted.

The third tab, "Must Invite Lawn," is the list of those who must be invited to the afternoon south lawn event.

The fourth tab, "Possible Guests," are people who can be chosen to fill out the numbers on all 3 events. After talking with several people, I have categorized them and written notes on as many as possible so you can have a context for deciding who should be invited.

We have worked hard to get all the needed addresses for your staff. Where there are no addresses I assumed they would be in the public domain to such an extent that you also would have ready access. There are a few we are still waiting on.

If there is anything else we can provide, do not hesitate to contact me. I apologize for the delay. I hope it has not inconvenienced you and your staff too much. We did send a partial list so that you could get started (list attached).

Best,

Anne
