Dear Melanne,

In your copious free time: could you send a copy of Mrs. Clinton's speech in Greece to me or to our New York office? We of course hope she was able to mention the World Monuments Fund, and in any case would be interested in knowing what she said about the preservation business.

With all best wishes to you and to her. It's not going to be a relaxing year, but she'd be a terrific Senator. If at some point you have holiday time, you'd be very welcome to my guest room in London. Not the Petchek Palace, but if you don't mind roughing it it would be fun to see you.

Sincerely,

J. Brown
