Campaign To Preserve U.S. Global Leadership

File
Int'l Budget

April 16, 1999

Katy Button
Office of the First Lady
Old Executive Office Building
Room 100
Washington, D.C. 20500

Dear Katy:

On behalf of the Campaign to Preserve U.S. Global Leadership, we want to thank you for all of your help in arranging for the First Lady to address our coalition at the joint event with the U.S. Chamber of Commerce.

The First Lady's remarks about the importance of U.S. global leadership and the resources necessary to ensure America's role as the world's sole remaining super power were extremely motivating. As our Washington Day participants went to Capitol Hill, her words stayed with them as they met with members of Congress and explained to them the importance of a strong international affairs budget.

We hope the First Lady will continue to speak out about the importance of a strong international affairs budget as the FY2000 budget negotiations continue and that the Administration continues to support international affairs programs as one of its top budget priorities as the process continues.

If there is any information regarding our diverse coalition, or the international affairs budget that we can provide for you, please do not hesitate to call Liz Schrayner the Campaign Coordinator (202-955-1381.) Again, thank you for your help in making our event a tremendous success.

Sincerely,

Joel L. Johnson
President
