DRAFT SCRIPT FOR HILLARY CLINTON AUTOMATED PHONE CALLS
Revised March 19, 1999 10:45 a.m.

Hello. This is Hillary Clinton.

I apologize for using this recording to contact you, but I'm trying to reach as many Missouri families as I can with an urgent message.

I'm calling to urge you to vote "no" on Proposition B on April 6. It would radically change Missouri law and allow hidden handguns to be carried almost anywhere.

If Proposition B passes, it would jeopardize the safety of every Missouri family.

Proposition B is so poorly written, with so many loopholes, it would allow people convicted of assault, stalking -- even child molesting -- to carry hidden guns in places like malls, stadiums, restaurants and even school yards.

I'm Hillary Clinton. On Tuesday, April 6, please take the time to vote no on Proposition B. It's just too dangerous for Missouri's families.

Thank you.
