Dear Nancy:

12/27/96

Great to see you last week. I was pleased to hear from the President that he enjoyed his visit to Bangkok. From our perspective, the visit was perfect in terms of highlighting our important bilateral relationship and in moving forward on our agenda. As the first visit by a sitting US President since 1969, and coming in the 50th anniversary year of the King's accession to the throne, it was truly a historic event.

I am passing along a souvenir of the visit, an album of press clippings covering the activities of the President and the First Lady in Bangkok.

All the best,

Sincerely,

**State visit to the kingdom of Thailand
