TEXT_BODY Attached is list of all calls to leaders in the Middle East since
1 January. The total is 47 calls; I've also included a call to Annan

since it concerned Israeli withdrawal from Lebanon; also included are calls to Kuwait and the UAE which dealt exclusively with OPEC. I'll leave it up to you to decide whether to include them. Let me know if you need more.

John Harris with the Washington
Post is doing a profile on President Clinton. Jim Steinberg spoke
with him this afternoon and thought it would be helpful if we could
get to him the number of calls that President Clinton has made in
the last 2-3 months to leaders in the Middle East in connection with
Middle East peace. Is it possible to get an accounting of recent
calls? I would need a date and to whom the call was placed. Doable?
