Kathleen:

My name is Eric Goosby, I am the interim director of the National AIDS Policy Office. I would like to engage you or one of your colleagues in a discussion around the potential anti-trust issues that may be raised in a dialogue with Drug Companies around lowering their cost of a new class of drugs used in treating HIV called protease inhibitors. I would appreciate your help in thinking through possible impediments (from the drug companies perspective) in agreeing to make such a cost reduction.

Please let me know when we can set up a time to talk.

Subject: Re: Fauci Invitation

Dear Daniel,

I called you back about your urgent message, but you had already left for an appointment, so I left you a voicemail.

As we discussed earlier, I had wanted to talk with Alexandra about this invitation for which you are getting a lot of pressure, but have not yet heard from her, having left earlier messages on her office machine.

But, now that we have confirmed participation from the two other major "AIDS vaccine power centers" at NIH -- David Baltimore and William Paul -- I see no reason for someone as central as Dr. Fauci not to participate, too.

What I worried about earlier was not having enough participants from industry and elsewhere outside of NIH to balance the "basic science" perspective. But I think we now will have a well-rounded panel and would have good balance even with three NIH-affiliated basic scientists participating.

So, in the absence of hearing from Alexandra, I'll just go ahead and now invite Dr. Fauci, and assume that is OK with her and the other committee members.

Thanks for all your help on this. I hope we can resolve

the scheduling problem, now that we have such a high-powered panel pulling together.

Regards,

Bruce

Resolution needed:

There is a conflict with Bruce Reed's and the Vaccine Panel's schedule. Bruce is scheduled to appear between 10:00am - 12:00Noon, and the Vaccine panel is also scheduled for 10:00am - 12:30pm.

I opted to have the Vaccine panel earlier, but Bruce Weniger believes that Bruce Reed should be bumped to another time. Given our talk about the "President's" initiative surrounding research, maybe Bruce Reed would be amenable to start at 9:00am talk for about 45 minutes, then we could take a break and have him talk with the Vaccine panel, informally. Just a thought on how we might persuade him to change his schedule.

I'm not tied into this idea. I can also work with the Vaccine panel to tweak their schedule.

Please advise.

Thanks,

dcm

I assured her that the meeting was to gather information on their successful approval of Viracept and the pediatric trials conducted for its approval in children.

Research regarding Pedro Jose Greer, Jr. M.D.

I checked two sources: Dr. Larry Siegel at Whitman-Walker Clinic who used to practice in the Miami area and Fred Karnas, HUD.

Dr. Siegel, confidentially spoke with Dr. Corky Steinhart, Director of HIV Services at Mercy Hospital in Miami where he works. Dr. Greer has experience with HIV from a gastroenterologist perspective, but not from an overall HIV perspective. Dr. Steinhart spoke very highly of him and said that he was well connected and well thought of in the community given his work on homeless issues.

Fred Karnas, knew of Dr. Greer and his work with the homeless. He also agrees that his work with the homeless is commendable, but did not have a feeling for his work with an overall HIV medical perspective. Fred said that he was also very well known and respected in the Miami area as well as in the "homeless" community across the country.

We can talk further if you need additional information.

Council meeting:

Richard Sorian called with a HEADS UP. Mary Beth Donohue said that the White House was looking for events for POTUS . Given the upcoming release of \$400 million dollars for HRSA regarding AIDS, it is possible that an event may be planned utilizing the Council. Although we are not to do anything, I might suggest that you talk with Bruce Reed to also give him a HEADS UP and offer any help if they decide to do it. As always, I am willing to assist in any way. I think it would be great for the Council and you as well.

We can talk about this too if you like.

The DPC submits a weekly report to the President under Bruce Reed's name. Policy staff generally submit one-paragraph bullets within their areas on "hot" issues, or on something needing the President's decision. The goal of the DPC weekly report is to be action-oriented and succinct. It isn't necessary to submit something every week if you don't have anything.

I pull together the bullets into one document and submit it to Elena Kagan for her review. The deadline for submissions is Friday morning by 11:00am or so.

The best way to get me your information (since you don't appear to be on our shared h: drive) is to either send the text as a Wordperfect attachment in Notes, or write the text in an email to me.

I have added your name to the weekly list and you should receive a reminder every Thursday.

Of course, if you have any questions about this process, please don't hesitate to give me a call at 65574. Thanks.

Scott would like to talk with you about several issues during the conference call:

1. He has heard about the Presidential leadership on Vaccines and wants to talk with you about it.

ie. How can the Council work with the Presidential agenda to craft a suitable recommendation. (I left a copy of the draft recs in your chair)
2. VP's agenda and Nick Bollman
3. Kevin Thurm/Needle Exchange

Also, Scott would like to talk with you about Charles Quincy Troupe (Missouri State Representative) and Regina Aragon (San Francisco AIDS Foundation), Council members.

Troupe has only attended one Council meeting.
Aragon has been on a leave of absence. She asked for a nine month leave from the Council, but will not return till June to work, consequently she will have been gone a total of about a year. I am told that she intends to return to the Council by Pat Christen.

Scott is available this afternoon for a conference call. Thanks,

dcm

Starting next week, DPC staff meetings will be held Tuesday and Thursday
at 9:00 am.

Please make certain that you do not schedule any other meetings during
those times. Bruce wants everyone to attend our staff meetings and to be
on time (yes myself included). We believe switching to Tuesday and
Thursday should insure that everyone will attend.

The meetings will still be held in room 211.

Subject: Correction to previous message re: Easter Egg Roll

The Visitors Office has informed me that staff/passholders do not count as one of the four people for admittance to the Easter Egg roll with a timed ticket. Staff/Passholders escorting their guests may bring up to four people with them as long as one of them is between the ages of 3 and 6.

Sorry for any confusion.

Toby requested a meeting with you and me, Wednesday, 4/2/97 at 11:00am to discuss the VP's speech for Wednesday, April 9th, AIDS Action Council Awards Ceremony. (I ran into Daniel Zingale over the weekend and he said that he was sending over a fax to let you know that your tickets for the AIDS Action Council Awards Ceremony would be free.)

IMPORTANT: She would like to discuss any possible announcements that the VP can make regarding AIDS.

We should probably take over the proposed recommendations from the Council, especially Vaccine research, and vet them with her regarding his involvement..

She and I went over the past recommendations for the VP from the Council. She will be sending you some language as a response to the recommendation.

I have asked Carmina to schedule you for this appointment. If it's inconvenient, please let me and/or Carmina know.

Thanks,

FYI:

I spoke with Scott Hitt regarding our meeting with Toby and the VP. He would very much like us to vet the proposed Vaccine recommendations and Services Committee recommendations with Toby.

He also suggested that the VP could reiterate the Administration's commitment to HIV/AIDS having followed through on many of the Council's recommendations, including a dialogue with the pharmaceutical companies and the subsequent Keystone process that is ongoing. He felt and I agree that the mention of the Administration with the Council strengthen's not only the Administration's willingness to work with the "community", but also underscores the credibility the Council has with the President and certainly VP.
