Summary of Conclusions

It was agreed that:

- The USG should warn Milosevic that the expulsion of Ambassador Walker as Director of the OSCE Kosovo Verification Mission (KVM) would cause the United States to withdraw its participation from KVM and that this would inevitably lead to the mission's full withdrawal. (Action: State) ~~(S)~~
- The Secretary of State should contact her Russian and Norwegian counterparts to ensure their full support for linking Ambassador Walker's retention to the future of the mission. (Action: State) ~~(S)~~
- Subject to the President's agreement, the USG should begin to develop a consensus within the Alliance on a NATO ultimatum, backed by the threat of air strikes, that would aim to achieve a "status quo ante plus," including:
 - stricter limits on Serb security forces;
 - a KVM with greater authority and assurances of safety;
 - identify and bring to justice those responsible for Racak;
 - cooperation with the UN's International Criminal Tribunal for the former Yugoslavia; and
 - agreement to elements of autonomy for Kosovo including local police and elections. (Action: NSC, State, DoD) ~~(S)~~
