The President of the United States
The Honourable William J. Clinton
The White House
1600 Pennsylvania Avenue
Washington, D.C.

My dear Mr. President

It is my duty to express the view of my people on the matter of Kosovo.

The United States has committed an act of war by all rights and international laws. The Yugoslavs have not attacked any other country outside their own borders and have been dealing with an ancient problem in a serious situation with great difficulty. The United States, namely you, have said on television that what NATO forces are doing is in the best interest of the American people. This is a clear false statement and cannot be accepted in good conscience by any intelligent human being.

I therefore, condemn your actions in this situation. NATO now stands for "North American Terrorist Organisation."

Respectfully,

HSH Prince Dennis von Blucher
