Summary of Conclusions

It was agreed that:

- The USG should use the Strategic Campaign Plan to devote senior-level attention on the military, diplomatic and other means of affecting Milosevic's calculations. The plan should address various audiences (Milosevic; family and cronies; economic elite; VJ/MUP; political opposition; Serb public) and instruments to exploit their vulnerabilities. One objective should be to sow distrust and paranoia in the senior leadership. (Action: NSC) ~~(S)~~
- As part of the Strategic Campaign Plan, military targeting should include war-supporting facilities that are also a source of hard currency for Milosevic and his family and cronies. (Action: JCS) ~~(S)~~
- The USG should press the EU to remove Serb television station RTS from the EUTELSAT broadcast satellite. (Action: State) ~~(S)~~
- The USG should determine ways to provide additional financial support to Montenegro. (Action: State, OMB) ~~(C)~~
