INFORMATION

MEMORANDUM FOR ANTHONY LAKE

FROM: JOHN M. ORDWAY *JO*
SUBJECT: Your Meeting with Philip Johnston

You are meeting with Philip Johnston on Tuesday, February 9 at 11:00 a.m.

Johnston is the chief executive of CARE who for the past several months has been on loan to the UN as head of their humanitarian operation in Mogadishu. Highly regarded in the U.S. NGO community, by all accounts he is an effective and imaginative manager. Ambassador Oakley, the head of our Liaison Office in Mogadishu, is highly complimentary about his performance there. Unfortunately, Johnston has been largely hamstrung by lack of cooperation from UN Headquarters in New York, and an inadequate and unqualified field staff in Somalia. The situation has been made worse by bitter bureaucratic warfare among competing UN organizations for control of the Somalia operation.

I suggest the following approach to the meeting:

- Express regret that the President was unable to meet with him as he had requested. (Johnston met with President Bush on December 18.)
- Draw Johnston out on several points:
 - The state of security for humanitarian operations and a turnover to UNOSOM II.
 - The overall humanitarian situation on the ground, and its prospects during and after the transition from UNITAF.
 - Problems associated with the UN's humanitarian operation and ways to overcome them.
- Confirm U.S. desire to help make the operation a success, including providing additional personnel, but without making it an overwhelmingly American show.
