*Somalia*

United States Department of State

Washington, D.C. 20520

April 19, 1993

Dear Mr. Chairman:

This letter provides the Administration's views on the version of S.J.Res. 45 which the House Committee on Foreign Affairs (HFAC) may consider in the near future. The Administration welcomes Congressional support for U.S. activities in Somalia expressed in this resolution. However, we continue to believe that specific statutory authority for the deployment of U.S. forces to Somalia is not necessary. As you know, the Administration expressed a similar view on S.J.Res. 45, adopted by the Senate on February 4, 1993.

We particularly welcome the resolution's reference to UNSC Resolution 814 of March 26, 1993, which sets forth the U.N. mandate for UNOSOM II. While we would prefer that the authorization provided by S.J.Res. 45 not specify any time limit, we are pleased that the resolution suggests that Congress would support the continued presence of U.S. forces in Somalia if needed for the success of the U.N. operation.

We will continue to work with Congress to ensure bipartisan support for U.S. policy in Somalia.

The Office of Management and Budget advises that, from the standpoint of the Administration's program, there is no objection to the submission of this report.

Sincerely,

Robert A. Bradtke
Acting Assistant Secretary
Legislative Affairs

The Honorable
Lee H. Hamilton,
Chairman, Committee on Foreign Affairs,
House of Representatives.
