RE: Health Care meetings

Mack, in addition to the small and unannounced health care meeting scheduled at 6:00 p.m. everyday (M-F) in Maggie's west wing office (unless otherwise cancelled), a small group of us (Ira, me, Greg Lawler, Laura Quinn and Pat Griffin) meet for an hour and a half or so every Saturday at 12:30 in the Ward Room to review the past week and the upcoming week. Please join us if you wish. If 12:30 on Saturday is inconvenient for you, please let me know.

I request that you not advertise either of these meetings.
