Dear Jen,

Here's the list. It's got about 150 names. It includes some Big Jews, all the worker jews we could find, other campaign workers from NYC and the Island, the Westchester Actively Involved in '92 list, some pols, the boro presidents, David Dinkins, the people we thought had worked hard enough that they should be on the election nite list. I've not included anyone who was at the October Sheraton mtg (pre Cuomo), since I assume they'll be on Marcia's list -- except Guillermo, Claire and David.

We also have a Jewish Endorsers list from the General, but I think that's more appropriate for the DC day.

Don't worry about the breaks as it prints. On labels, it will come out fine.
