RE: "An Evening With Bill Cosby"

Dear Ms. Solis-Doyle,

Per our conversation today, I am enclosing key information regarding the Boys & Girls Clubs of Greater Kansas City's forthcoming "Kids Night Out," featuring Bill Cosby. The event will be held at Bartle Hall (Kansas City's Convention Center) on Wednesday, February 19, 1997. Also enclosed you will find some background information about the Boys & Girls Clubs to familiarize you with the mission of the organization and our work with youth from disadvantaged circumstances.

As I indicated in our conversation, we are delighted that the First Lady might be considering our invitation and we would, of course, be pleased to have her participate in the event in any appropriate capacity. The underlying premise of the evening is to introduce our young members to positive peer and adult role models, and I believe our members would benefit greatly from the First Lady's support in any role of her choosing.

Please don't hesitate to call me at (816) 361-3600 during the day or at (816) 822-8122 in the evening, if I can help with additional information about the evening. Again, thank you for your thoughtful consideration. We are looking forward to hearing from you soon.

Sincerely,

Karmy Stefan
Director of Special Events
