William J. Clinton
President of the United States
1600 Pennsylvania Avenue
Washington, D.C. 20500

Dear President Clinton:

I would like to send you a copy of my book which I have just had published, *Character Education in America's Blue Ribbon Schools*.

As you will see, I quote both of your State of the Union messages in the Preface. The book is a response to your "Challenge to teach character education" in America's schools. I encourage you to continue to be an advocate of character education in our schools and to support legislation that promotes this cause.

The statistics given by Dr Thomas Lickona in the Foreword makes us realize that we need to promote character not only in our schools but also in our whole society. "Dumpster babies" make us shutter, but they are a mere consequence of a society that allows for partial birth abortions. President Clinton, our nation needs you to be an example of a person of good character. Get congress to pass a ban on partial birth abortions in a bill format you can sign.

I will be attending the White House Conference on Character Education this spring. I would be happy to meet with you at this time if you are interested in discussing my book with me.

Sincerely,

Madonna Murphy, Ph.D.

[Message]

Dear Mr. President,
The National Ataxia Foundation is holding its annual
membership meeting in Alexandria March 27 - 29. I know that

date not far away, but I was hoping that maybe you or someone from your staff could make an appearance. I am not an official member of the planning committee for this event, but only a member who will be in attendance. The foundation may have already invited you.

The National Ataxia Foundation assists in support and research for the hereditary ataxias. Ataxia is a progressive neurological disorder that attacks the cerebellum. Individuals lose control of coordination and muscle control. The first symptom is staggering steps as if the individual was drunk. It progresses to the point of a wheelchair, and also affects speech, eating, eye sight, and other body functions. The complications from ataxia can lead to death. These ataxias are separated into two main groups, recessive and dominant ataxias.

The most common recessive ataxia is Friedreich Ataxia. Friedreich ataxia usually starts in the person's early teens. There are several forms dominant ataxias. My family has one of the dominant ataxias. The onset of the dominant ataxias is in a varied range of early 20's to late 50's. I currently don't have symptoms but there's a 50/50 chance that I inherited the gene causing this condition.

These ataxias are rare compared to other health conditions and most people in the general public have never heard of them. Most neurologists have heard of these but are not very familiar with the treatment options. This fact is why your appearance would be so beneficial.

An appearance would raise some public awareness so that other individuals and neurologists might hear about the National Ataxia Foundation. My father had ataxia and heard of the National Ataxia Foundation only 4 months before his death. He never knew anyone else who had ataxia, except a family member. There are families out there still today that don't know of another family with ataxia. I'd like to reach as many of those families as possible.

An appearance would also raise the hopes and benefit the members in attendance. Because ataxia is rare and many doctors are not educated about the condition. Families affected by ataxia feel as if we're out there fighting this disease all alone. An appearance when show that we are not forgotten to

the other mainstream diseases and would raise the spirits of so many members in attendance.

I apologize for the short notice and hope that you may be able to attend. As stated before, I'm not an official in this organization. Please contact them at:

National Ataxia Foundation 2600 Fernbrook Lane, Suite 119
Minneapolis, MN 55447 phone (612) 553-0020 fax (612)

Thanks for your time and consideration.

Sincerely,
Greg Rooks

I would like to bring your attention to the Youth Leadership Academy at Elgin Community College (ECC) in Illinois.

The Youth Leadership Academy is a community-based program designed to identify and mentor low-income students to promote academic development and leadership skills. The program serves as a long-term alternative to gangs, drugs and other negative influences that disadvantaged youths frequently encounter.

The program inducts 20 students per year, beginning with the sixth grade. In addition to leadership skills, the curriculum focuses on career and character development, health issues and community service. Upon successful completion of the program, each student is guaranteed a free two year college education at ECC.

The Youth Leadership Academy also provides parental training sessions and actively involves parents in the curriculum. Each family is given a home computer, modem and computer training.

I wanted to bring this unique and valuable program to your attention because I believe it exemplifies many of the goals of your educational initiatives. Perhaps if you are in the Elgin area in the future, you might be interested in visiting the ECC Youth Leadership Academy to observe their outstanding program. Thank you for your consideration.

Yours truly,

Carol Moseley-Braun
United States Senator

Dear President William J. Clinton,

The first of May, Loyalty Day, became a special day to the Veterans of Foreign Wars and its Ladies Auxiliary with the passage of Public Law 85-529 in July of 1958. The Veterans of Foreign Wars, at that time, won a long hard battle to have May 1st designated as Loyalty Day by Congress.

The tradition began in the 1930's when Communist agitators in America held parades on May 1st, in which they attacked our country and our way of life.

Derry Memorial Post 1617, Veterans of Foreign Wars and Derry Memorial Auxiliary have carried on the tradition of Loyalty Day, by honoring citizens and students in our community for their service to their community and reaffirmation of their loyalty to their country, community and their allegiance to our flag.

On Sunday, May 3, 1998, we will host our annual Loyalty Day ceremonies, honoring those citizens in our community that have been recommended by their peers. The ceremony will begin at 2 PM at the VFW Post Home 16 Railroad Ave. Derry.

You are cordially invited to attend our ceremonies and share this special day with our honorees. Please let us know whether or not you will be attending. You may call 432-9702.

If you have any questions at all regarding our Loyalty Day ceremonies, please contact us.

Sincerely,

Eugene A. Pawlik, Sr Commander

Dear Mr. President,

1998 is well underway here at The Pathway School and my thoughts are turning to plans for our 2nd Annual Golf Outing. Due to the success of last years inaugural outing, we have decided to continue it as an annual event with all proceeds to benefit our Student Activities Fund. This year's outing will be held Monday, September 14, 1998 at Plymouth Country Club and I am pleased to announce Suburban Cable Company as our corporate sponsor.

During this second year we have plans to make our outing even more of a community event. We will be hosting a clinic for the area high school golf teams and have already secured LPGA player Diane Rama to offer her expertise. This clinic will run in the morning, just prior to our outing, and the day will conclude with dinner and a live sports auction. I would like to extend an invitation for you to join us on September 14 and help to make this day even more memorable for these high school athletes.

Suburban Cable Company will be hosting a Kick-Off Reception on April 29 at Plymouth Country Club for some of the many friends and supporters of The Pathway School. I would also like to extend an invitation for you to join us, Ms. Rama, and the local community at this reception.

Sincerely,

Linda Bowers

Honorable President of the United States William Clinton
1600 Pennsylvania Avenue
Washington, D. C.

Dear President Clinton:

Our Municipality will celebrate its 75th Anniversary of Incorporation on May 23, 1998. The Township is planning a gala celebration on May 30, 1998 with activities for all ages during the day and into the early evening. We are also planning a parade and have invited the Governor, Senators, Assemblymen, and Representatives to participate if their schedules would allow. We realize that President Clinton has many duties and functions and has a very busy schedule but we would like to extend an invitation of participation for 1 p.m. May 30, 1998.

Mine Hill Township is a small community. We are approximately 3.9 square miles with a population of approximately 3,300 people. We are in the North West Section of Morris County in the State of New Jersey. We separated from Randolph Township in 1923 and our first 3 man Committee was elected. We changed our form of government to the Faulkner Act Plan E and our first five man Council and elected Mayor were seated in January 1980. Our history includes iron mining activities going back to the Revolutionary time period, with farming a secondary occupation.

We hope that President Clinton will be able to acknowledge our May 30 endeavors by some form of written endorsement.

Very truly yours,

Mildred C Orlandi

Let Us Never Forget. Let Us Forever Remember.

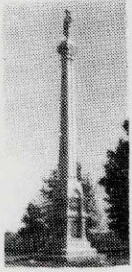

Let Us Never Forget our men and women in the Armed Forces, the National Guards, the Guards, the Reserves at home and abroad. Those who are in hospitals throughout the world. Those in senior centers, nursing homes, retirement homes. Those who have been forgotten in these centers, homes and Veterans Hospitals. Those who have come and have gone on before us, building for us, protecting for us and our children and our childrens children those Ideals and Freedoms set for by the Declaration of Independence and the Bill of Rights. Things, we, so often take for granted. Let us remember those who walk among us everyday; and those who aren't able to walk with us, the disabled. Each, in our own way, to say "Thank you, for everything."

But, most of all, let us Never, Never forget those who are still "Missing-in-Action", "Prisoners-of-War" from ALL Wars. For their safe, speedy return home.

Let Us Never Forget. Let Us Forever Remember.

I can't ever forget. I will always, Remember.

Subj: Reburial of Veteran
Blackhawk War - 1832
regms

Dear Mr. President,

On behalf of the descendants of Joseph Draper (1811 - 1832), Private, Company H, 5th Illinois Mounted Rangers Infantry Volunteers, I would like to invite you to the Decoration Day/Memorial Day Service, 25 May 1998. The Service will consist of the relocation/reburial of Joseph Draper alongside eleven other Veterans who died on 14 May 1832. He is being relocated from unhallowed ground to Consecrated/Hallowed Ground.

The Service will consist of Christian Services with Full Military Honors being accorded. Burial will be in the Stillman's Run Memorial Park, the site where the last stand was made by Troopers of the 5th Illinois Mounted Rangers Infantry Volunteers on 14 May 1832.

It is located in our village of Stillman Valley, Illinois on Illinois-72 and Spruce Street.

Major General William P. Levine and General Richard Stearney have expressed interest about the Services. Of particular interest is General Stearney, who is the Commanding General of the 86th ARCOM, Blackhawks.

On the evening of 14 May 1832 275 men, under the commands of Majors Bailey and Stillman, arrived in the valley. They were under the direction of Illinois Governor Reynolds to find out the reasoning behind the leader Blackhawk being in the area. Colonel Zachary Taylor was the Commander of the Volunteers.

It will be noted that there were Three Presidents here in 1832. The 12th President = Zachary Taylor. The 16th President = Abraham Lincoln. The 1st President = Jefferson Davis. It's also noted that Jefferson Davis was the son-in-law to ~~XXXXX~~ President Taylor.

I realize that you are quite busy Governing the Nation but-- Well, I thought you might be available. You'll probably be at the Services at The Tomb of the Unknown Soldier. But anyway wanted to extend the invitation.

Stillman's Run Memorial Park is the site of the beginning of the only War fought on Illinois Soil. It is also the site where Veterans of that War are buried where they fought and died.

Thank you.

Respectfully yours

RE: Martial Arts Demonstration and President's Special Message to Youths

Dear President Clinton:

I am writing this letter on behalf of my client, martial arts master Rollin Kwon, in regards to a proposal for a short program at the White House for the benefit of youths around the world.

The entire program itself should not take more than 15 minutes. The first part consists of a short 2-3 minute inspirational message by the President to the youths around the world to rise above the myriad of problems facing them to pursue their dreams of excellence, as illustrated in the life of Master Kwon. The second part of the program consists of a 10-minute martial arts demonstration, which will consist of 30 youths and 20 adults.

Besides being a worthy event in itself, particularly for the youth participants many of whom had never seen the White House, the program will also be filmed and incorporated into an educational film called, "Infinite Rounds." It is the story of Master Kwon. The film is an inspiring account of an ordinary man who rose above difficult odds to fulfill dreams that no one could have expected given the numerous adversities he faced. Our hope is that this film would inspire youths around the world who live in difficult times and under unfortunate circumstances.

Because of our scheduling plans for the film, it would be best if this event could be arranged sometime in the months of April or May, 1998 if at all possible. If this scheduling presents problems, we are willing to be as flexible as we can to accommodate your needs and concerns.

Enclosed is a letter from Mr. Richard Nam, the President of U.S.A. Educational Group, Inc., and also a letter from Mr. Sang Lee, the President of the Tae Kwon Do Olympic Committee. Also included are several local newspaper articles on Master Rollin Kwon.

I hope that you will give our proposal the kind of consideration that we feel that the youth of the world deserve. We look forward to hearing from you soon. Thank you very much

Sincerely,

M. Stephen Choe

Dear Mr. President:

We take great pleasure in inviting you to attend a parade in celebration of Bengali New Year and in celebration of 27th Anniversary of Independence of Bangladesh. As you know, the population of Bangladesh in New York has grown and continues to grow expeditiously with each passing year. It is our estimate that there are about 80,000 Bangladeshis live in New York. As an immigrant community, we have maintained close contact with our homeland and native culture. However, we have also partaken in the social, cultural, and economic growth of the United States in our modest ways. The event is organized by Bangladesh Students Association, Inc. and sponsored by many business and civil organizations based throughout the city.

Specifies on the parade & Mela (Fair) are as follows:

Date & Time: Sunday, April 19, 1998 from 12.00 to 7.00 p.m.

Parade starts: Vernon Blvd & Queens Plaza, Queens

Parade concludes: Vernon Blvd & 34th Ave, Queens

Bangladesh Mela (Fair): At Rainey Park, Queens

On this auspicious occasion, we would greatly appreciate any effort by your office to issue a proclamation recognizing this special celebration. We hope you will take this time to celebrate this historical moment with us. Please notify us at (718) 458-1598 or fax at (718) 297-8951 of your availability as soon as possible.

Thank you once again for your attention to this letter.

Dear Mr. President:

This letter is in reference to our upcoming **Golden Jubilee Celebration** honoring **Elder Willie James Joshua**, Pastor of Lockett Memorial Church of God in Christ. Elder Joshua, who has faithfully served as an ordained minister for "fifty" years, is a member of the Detroit community, as well as a retired City of Detroit employee. As an outstanding citizen, an avid supporter of our youth, a devout christian of exemplary mores, and one who has promoted and provided community and outreach services in the City of Detroit for over sixty years, certainly, Elder Joshua, an "87 year old pillar" of the City of Detroit, is worthy of all the homage and recognition this event will afford.

We would like to take this opportunity to personally invite you to attend this momentous celebration, which will take place on **Monday, May 4, 1998**, 6:30 p.m., at the beautiful Laurel Manor Banquet & Conference Center in Livonia, Michigan. For reservation and/or ticket information, please contact Ms. Dorothea Banks at the address/phone number listed below. Also, we would greatly appreciate words of commendation by way of a proclamation or tribute from the Desk of the President of the United States. Please inform us prior to **May 1, 1998** whether you or your representative will be in attendance. If your office cannot be represented, kindly forward your congratulatory acknowledgment by the **May 1, 1998** suspense date that your remarks may be expressed at the event.

All correspondence should be forwarded to:

SUBJECT: I'LL BE IN CHILE NEXT WEEK

Dear Mr. President:

[004]

(b)(6)

Since we are of the same generation, I have always considered you to be one of the best of us, and I think that the social and economic impact of your administration has been one of the most positive and progressive in our history. And we both recognize that we still have a long way to go.

I am the C.E.O. of AQUAFARMS, the largest importer in America of fresh farmed Atlantic salmon from Chile, and I am responsible for the importation, logistics, sales, marketing, and distribution of nearly 2,000,000 lbs. per month, by air. I visit that Country 10-15 times per year, and have been doing business with the Chileans for more than 10 years.

On Sunday evening, April 12, I depart for Chile, and will arrive in the South, near Puerto Montt, where we grow the Chilean Salmon, on Monday morning, April 13. I have already been contacted by the daily newspaper of Santiago, LA SECUNDA, to be interviewed on Monday regarding your upcoming trip, the Conference of the Americas, the protectionist action of the domestic salmon producers against Chile, and my views on that subject as an American in the food and seafood industries.

I will be staying at CABANAS DEL LAGOS in Puerto Varas, with my dear friend and business associate, Mr. Eric Caslow, President of ACME SMOKED FISH CORP, America's largest Salmon Smoker, located in Brooklyn, NY. We'll be there for four days, until Thursday, April 16, to negotiate our contract with several of Chile's largest salmon producers for the 1998-1999 season of supply.

Free trade is as important to me as a global businessman as it is to you as the leader of our Country. I not only advocate free trade, I also practice it every day.

MAILING ADDRESS: PO BOX 170409, Hialeah, FL 33017-0409

I'd like to invite you to make an unplanned, extemporaneous "side-trip" during your visit, to Puerto Montt (it's 1.45 hours by plane from Santiago), where I'd like you to meet some of Chile's salmon farmers. The resultant press would help the cause of free trade, and would hopefully send a message to the protectionists that we mean business. Aside from the political impact such a trip would make, I promise you one of the most beautiful and enjoyable experiences of your life, when you see where the snow-capped Andes Mountains meet the Pacific Ocean, and the miracle of aquaculture, from tiny salmon egg in the tranquil fresh water streams to the floating sea cages in the protected fjords along the coast.

And the food!

I'm afraid that most Americans have no idea that Chile is such an industrialized, modern, democratic Country, with an economy and political stability unmatched in the rest of the "Third World". This side trip could help to destroy that image.

Please feel free to contact me at your convenience should you decide to take the trip. Alan or Steve will know how to reach me through my brother, Dr. Martin P. Solomon, of Chestnut Hill, Mass.

I hope that you'll take advantage of this opportunity. I know my way around, down there, and have many, many friends who would help to make the trip both rewarding and enjoyable for you.

Best Regards,
David J. Solomon

In the capacity of Initiator & Founder of CommerceNet

I would like to invite you to officiate the launch of CommerceNet Singapore/Asean in Jun/July timeframe during your Visit to Singapore/Asia.

Mr President, I am sure you would agreed with me that the Asia Economy Crisis is based on:

1. Land/Space-Base Economy
2. Bubble Economy

The rescue packages from IMF/USA can only help Asia in the short-term.

If Asia is not moving in-syn with the trend to transform themself from the above economy to the Electronic-Economy through Electronic-Commerce & E-Business then I believe the worst economy crisis will yet to come.

Already, you could read on the news that the 1st Q of US economy already show sign of effect by the Asia crisis.

Mr President, you see when you officiate the Launch of CommerceNet Singapore/Asean it would certainly provide the motivating factors for the Asian governments to make commitment to transform their respective country into Electronic-Economy thus bringing your released report --

"A Framework for Global Electronic Commerce" to life.
For your informations. During this launch, Asia-Global Electronic Commerce Directors will be having the conference in Singapore. I also will host the Global Electronic Commerce -- Asia Summit. I am also inviting the G7 Electronic Commerce Directors to these event.

The Honorable William J. Clinton
President of the United States
The White House
Washington, D.C. 20500

Dear Mr. President:

I am pleased to invite you to be the keynote speaker at the 1998 Export-Import Bank Annual Conference on Thursday, May 7, or Friday, May 8, at the Washington Hilton Hotel. We, of course, will be flexible in regard to your speaking at lunch or dinner on either day. The theme for the conference is "Ex-Im Bank: Supporting Exports, Sustaining Jobs", and we expect an audience of 1,500 U.S. exporters and bankers.

Ex-Im Bank is a critical part of your successful National Export Strategy. In Fiscal Year 1997, Ex-Im Bank authorized \$12.2 billion in financing which supported the export of \$15 billion in U.S. goods and services--exports that would not have taken place without our assistance.

Five years ago (almost to the day), you addressed the Ex-Im Bank Annual Conference and set out your vision for a successful economy based on competition in the global marketplace. You noted that "without expanding our exports, this country cannot grow--cannot grow economically and cannot create more jobs." Our remarkable economic achievement as a nation during the past five years is based on the successful execution of your vision by agencies such as the Ex-Im Bank.

Your participation in the 1998 Ex-Im Bank Annual Conference will provide an important focus on our success during the past five years in assisting U.S. firms to compete in the international marketplace and in creating and sustaining jobs through exports. Equally important, your participation will send the message that Ex-Im Bank is essential to the future Export Trade Strategy of our nation.

On a personal note, I am delighted with the progress at Ex-Im Bank this year--the four-year reauthorization, the 1999 budget prospects, our contribution to the Asian recovery and the management changes/morale improvement at the Agency.

This is a new era at Ex-Im Bank--we will continue to maximize the value of this program for the taxpayer. Enclosed is our recent annual report. I shall be grateful if you are able to participate at the Conference.

Sincerely,

Dear Mr. President,

It was good to talk to you last night. I shall send over a note regarding my trip to Africa before leaving April 17 and a brief summary when I return. We are determined to expand our activities in Sub-Saharan Africa. It is interesting to note that this will be the first trip by a Chairman to E-Africa to Southern Africa and the first trip in over 15 years to Africa by a Chairman.

Our annual conference is May 7 and 8 - it is a very important event

for the Bank as I was outlining our
program for the future. We have
achieved much of what we set out to
do in this first year but there is a great
deal more to do for the small business
community. We are doing good work in
Russia & the NIS; we are working closely
with Treasury to assist in stabilizing
conditions in Asia concurrent with our mission to
support exports, and now we shall focus
on Africa and Latin America.

5 years ago you spoke at the
E-9 conference about your strategy for
exports/jobs - the program achieved even
greater results than expected - so it seems
appropriate to review the accomplishments and
look to the future.

I would not ask for your help
if I didn't believe it is also good for
you and our country. Our formal letter requesting
you to speak is in the system.
Thank you for considering this -
Best regard,
Tim

Chip Payson in scheduling says
Harmon and others have been
blitzing the WH with letters,
faxes, and phone calls to get
POTUS to attend the May 7-8
event. (He's also spoken to the
POTUS in person about it.) Chip
says send this to him (Room
184) and they'll handle.
