Subject: Effect of Byrd and Kempthorne Amendments on USG scope of action in Somalia

- Byrd Amendment

- Passed as part of FY94 Defense Appropriations Bill in Nov 93
- Limits expenditure of DOD funds for operations of US Armed Forces in Somalia after 31 Mar 94 to the following:
 - to support a limited number of US military personnel only to protect American diplomatic facilities
 - to support noncombatant personnel to advise the UN Commander in Somalia
- Has no impact on President's Constitutional authorities
 - allows deployment of US forces for NEO operations (to include incidental (i.e., space available) evacuation of foreign personnel)
- Prohibits the following (examples):
 - Coming to the defense of UNOSOM forces with US combat personnel in Somalia if they were "in extremis"
 - Providing combat assistance in Somalia (ground or air) to UNOSOM forces
 - Providing gunship support to UNOSOM forces in Somalia from airfields outside Somalia (unless incidental to support being provided to US nationals in Somalia who are "in extremis")
- Expires with FY94 Defense Appropriations Act on 30 Sep 94.

- Kempthorne Amendment

- Is attached as amendment to Senate version of FY 95 Defense Appropriations Bill and is more restrictive than Byrd Amendment.
- Would prohibit spending DOD funds for continuous deployment in Somalia of US military personnel after 30 Sep 94. Would require the withdrawal of all US military personnel from Somalia by that date.
- Would allow future temporary deployments (after 30 Sep 94) of US military personnel to Somalia to (for example) assist in removal of USG equipment, perform emergency evacuation of US/foreign nationals, or assist the withdrawal of UNOSOM forces.

UNCLASSIFIED

UNCLASSIFIED

- Would prohibit the following (examples):
 - maintaining US military security force for USLO (FAST Marines would redeploy NLT 30 Sep 94)
 - maintaining US military intelligence or military liaison personnel in USLO (currently about 10)
 - maintaining any US military personnel seconded to UNOSOM staff (currently 12 contract administrators/logistics operations personnel)
- Would essentially force the withdrawal of USLO unless State Department accepts a contract security force. Even with contract security, USLO intelligence and military liaison functions would be terminated.

Subject: Effect of Byrd and Kempthorne Amendments on USG scope of action in Somalia

- Byrd Amendment

- Passed as part of FY94 Defense Appropriations Bill in Nov 93
- Limits expenditure of DOD funds for operations of US Armed Forces in Somalia after 31 Mar 94 to the following:
 - to support a limited number of US military personnel only to protect American diplomatic facilities
 - to support noncombatant personnel to advise the UN Commander in Somalia
- Has no impact on President's Constitutional authorities
 - allows deployment of US forces for NEO operations (to include incidental (i.e., space available) evacuation of foreign personnel)
- Prohibits the following (examples):
 - Coming to the defense of UNOSOM forces with US combat personnel in Somalia if they were "in extremis"
 - Providing combat assistance in Somalia (ground or air) to UNOSOM forces
 - Providing gunship support to UNOSOM forces in Somalia from airfields outside Somalia (unless incidental to support being provided to US nationals in Somalia who are "in extremis")
- Expires with FY94 Defense Appropriations Act on 30 Sep 94.

- Kempthorne Amendment

- Is attached as amendment to Senate version of FY 95 Defense Appropriations Bill and is more restrictive than Byrd Amendment.
- Would prohibit spending DOD funds for continuous deployment in Somalia of US military personnel after 30 Sep 94. Would require the withdrawal of all US military personnel from Somalia by that date.
- Would allow future temporary deployments (after 30 Sep 94) of US military personnel to Somalia to (for example) assist in removal of USG equipment, perform emergency evacuation of US/foreign nationals, or assist the withdrawal of UNOSOM forces.

UNCLASSIFIED

UNCLASSIFIED

- Would prohibit the following (examples):
 - maintaining US military security force for USLO (FAST Marines would redeploy NLT 30 Sep 94)
 - maintaining US military intelligence or military liaison personnel in USLO (currently about 10)
 - maintaining any US military personnel seconded to UNOSOM staff (currently 12 contract administrators/ logistics operations personnel)
- Would essentially force the withdrawal of USLO unless State Department accepts a contract security force. Even with contract security, USLO intelligence and military liaison functions would be terminated.

DRAFT PRESIDENTIAL STATEMENT ON SOMALIA

The Security Council takes note of the Report of the Secretary-General to the Security Council on Somalia (S/1994/977) and briefings by the Secretariat.

The Security Council, being appalled by the killing near Baidoa on 22 August of seven Indian soldiers and the wounding of nine more serving with UNOSOM-II, strongly condemns the premeditated attack on United Nations peace-keepers who were providing essential support and assistance to the humanitarian effort of the international community in Somalia carrying out the mandate of the Security Council. The Council expresses its condolences to the Government of India and the families of the soldiers who made the ultimate sacrifice in assisting the people of Somalia.

The Council expresses grave concern regarding the deteriorating security situation in Somalia and deplores attacks and harassment directed against UNOSOM-II and other international personnel serving in Somalia.

The Council considers that a durable political settlement remains the indispensable prerequisite for restoring peace and security, re-establishing central governmental structures and services and commencing the process of rehabilitation and reconstruction of the economic and social fabric in Somalia.

The Council is gravely concerned by the lack of progress in reconciliation among Somali factions. It is particularly concerned by the fact that the national reconciliation conference, to which the 15 signatories of the Addis Ababa Agreement had agreed in Nairobi on 24 March 1994 and which was scheduled for 15 May 1994, has not taken place. The Council commends the efforts of the Special Representative of the Secretary-General to reinvigorate the process of national reconciliation, including through the encouragement of local and regional initiatives and conferences. In this regard, it attaches particular importance to a successful outcome of the Hawiye reconciliation conference, with the involvement of all concerned.

The Council stresses that the nature and the duration of the international support and resources the international community is committing to Somalia depend very much on the resolve of the Somali parties to achieve political compromise. [It notes that it may have to consider the complete withdrawal of UNOSOM-II in the absence of significant progress in the process of political reconciliation].

The Council reminds Somali parties that the future of their country lies in their hands and urges them once again to make

PHOTOCOPY PRESERVATION

every effort to advance the process of political reconciliation in Somalia.

① The Council believes, that the [Secretary-General's] proposed reduction of the UNOSOM-II troops is appropriate in the circumstances prevailing in Somalia. It stresses that priority attention should be given to ensuring the safety and security of UNOSOM-II and other international personnel, including the staff of non-governmental organizations. In this context, it underlines the responsibility of the Somali parties for the security and safety of these personnel.

The Security Council invites the Secretary-General to submit to the Council well before 30 September 1994, a substantive report on prospects for national reconciliation in Somalia and on the possible options for the future of UNOSOM-II.
