

THE WHITE HOUSE

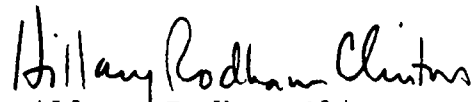

June 12, 1995

The Honorable Peter T. King
U.S. House of Representatives
Washington, D.C. 20515

Dear Congressman King:

Thank you for writing to let me know about your campaign to create a breast cancer awareness stamp. In the forums I have held in the past months to encourage women who are eligible for Medicare to get screening mammograms, I have learned that there is still a tremendous amount of fear and misunderstanding about breast cancer prevention and treatment. I wish you the very best as you continue your important efforts to increase public awareness.

Sincerely yours,

Hillary Rodham Clinton
