

THE WHITE HOUSE

WASHINGTON

March 7, 1994

The Honorable Patrick Leahy
United States Senate
Washington, D.C. 20510

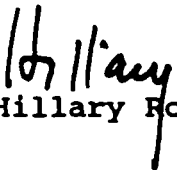

Dear Senator Leahy:

Thank you for forwarding the letter from Qin Xia, a constituent who is interested in educating people about the benefits of tofu.

The Health Security Act introduced by the President includes a comprehensive benefit package emphasizing primary and preventive health care. In addition, health plans may offer health education classes that include nutrition counseling. The plan also includes a comprehensive school health education program to address nutritional health.

I look forward to working with you in the coming weeks and months as Congress considers the Health Security Act.

Sincerely yours,

Hillary Rodham Clinton
