Dear Mr. President:

As we approach the new century, I wanted to share with you memorabilia from our state's colorful political past. The Coachman's Inn, like the Marion Hotel, was one of those great gathering places. Witt Stephens, Orval Faubus, the Arkansas Legislature, lobbyist parties, closed door sessions, fundraisers, press conferences, campaign headquarters and election nights helped make it famous. The Political Animals Club--now over 15 years old-- was founded there.

Enjoy 2000 and the 2000 elections. Happy New Year.

Best Wishes,

Skip Rutherford

Do try
for him.
I'll track it
& put it right
next to Witt Stephens' cigar!

It's not a
button but it's
close!

Thanks for
the millennium
invitation. Sorry
we couldn't attend
